

COMMON CURRICULUM ARTICULATION AGREEMENT

FOR STUDENTS WHO WANT TO TRANSFER

FROM SANTA MONICA COLLEGE (SMC) TO SAN FRANCISCO ART INSTITUTE (SFAI)

San Francisco Art Institute accepts courses from California Community Colleges that meet the following Intersegmental General Education Transfer Curriculum (IGETC) standards for undergraduate degree requirements common to all bachelor degree programs at SFAI. Transfer students are not required to complete the IGETC pattern before transferring to SFAI, but SANTA MONICA COLLEGE courses that are in the following IGETC Subject Areas may be transferred into the Liberal Arts block of the undergraduate degree programs. Visit assist.org to view courses that meet the IGETC subject areas.

Course catalogs and offerings are subject to change. Please check the most current online catalog for SMC. If there is a course not included on the list below that you wish to inquire about with regard to its applicability to a major requirement, please contact transfer@sfai.edu.

Each SFAI Requirement below is 3.0 credits. For any courses transferred in that are fewer than 3.0 credits, multiple courses must be taken to fulfill SFAI credit requirements. Excess credits resulting from completion of multiple eligible courses may be applied to electives, if applicable.

For questions on transferring from a school not listed here, please contact transfer@sfai.edu.
